

Otherwise

no make-up tests or labs!

6. Assessment Policy

Total Score (U) = 200 (In Class Exam) + 100 (Lab Practical) + 300 (Final) = 600

Total Score (G) = 200 (In Class Exam) + 100 (Lab Practical) + 100 (Presentation) + 300 (Final) = 700

Total score (%)	Grade

All exams are open-notebook exams. You can use your own handwritten notebooks. You are not allowed to use any other materials such as printed or copied materials, laptops, or your cellphone during exam. In the lab exam, you can use anything including the internet, but no communications with other people.

Title IX Statement

9. Additional Information

I will teach and you will learn immunology in this course. Therefore, your intellectual enhancement from this course will depend on both of us. Would you have any other ideas?
